

Open Call for volunteers

Rizomes 2025
Festival

Rizomes is a festival born once a year in the heart of a poplar plantation in La Celler de Ter, Girona. An ephemeral cultural space in search of old and new ways of doing, where play and collective experimentation take center stage. on **June 20, 21, and 22.**

A) SET-UP & TAKE-DOWN

14-20 June + 23 June

For a week, Can Ribes becomes a creative camp. We live together, work as a team, and build with our hands what will later become the festival. No prior experience is needed—just a willingness to participate and share. Some of the things we'll work on include:

- The stage and its lighting, the heart of sound and dance
- Dishwashing stations and open-air showers
- A dock on the river to cool off and connect with the water
- Rest and shaded areas built with light structures
- Dry toilets made from recycled materials
- The sauna and hot tubs (the rizomeSPA)
- Festival scenography and other infrastructures
- Signage and space management

We'll also cook, handle logistics, set up the bars, drive the van, prepare the land, hang lights, and do a thousand small tasks that bring the festival to life.

Working hours: **9 AM to 1 PM and 3 PM to 7 PM**

In between, we'll organize sports activities, yoga sessions, open-DJ sets, and you'll be welcome to suggest your own activities.

Take-down begins at the closing of the festival, and ends on the evening of the 23rd. We'll celebrate the Sant Joan festivity together and have a good-bye meal!
